The readings for 21st Sunday in Ordinary Time for Year C help us consider who can be saved. In the first reading we learn that God desires to draw all people to Him. In the second reading Paul encourages us to stay on the straight paths. In the gospel Jesus tells us that we must strive to reach heaven.

Resources for the Season of Creation 2022 – 1st September to 4th October

The Season of Creation has a special significance for the Catholic Church, particularly since Pope Francis established 1 September as an annual World Day of Prayer for the Care of Creation. The Season of Creation is marked throughout the Christian world from 1 September to 4 October (Feast of Saint Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment.
